

Invitation

BioMed PhD Day 2022

Friday

07 October 2022

09.00–18.00

BioMed PhD Day 2022

The USI Faculty of Biomedical Sciences, together with its affiliated and partner institutes, offers study programmes for doctoral students in Immunology, Oncology, Neurology, Cardiology, Drug sciences, Public Health and Computational Biomedicine.

On October 7, a selection of young doctoral students currently attending these programmes will present their research work at the 4th BioMed PhD Day, which will be held at the USI East Campus.

Friday
07 October 2022
09.00–18.00

Aula Polivalente
